ST. JOHN'S SOCCER BELSON STADIUM

Belson Stadium has been the home of Red Storm soccer for the past eight seasons. The 2,300 seat facility features a unique, state-of-the-art design that allows all fans to be close to the action. Made possible by the generous donations of Maxine and Jerome Belson and built in 2002, the stadium has created a significant home-field advantage for the St. John's men's and women's soccer programs. Over the course of eight seasons on the stadium's turf, St. John's has excelled in the BIG EAST Conference and in postseason play. The Red Storm has played 19 BIG EAST and NCAA Tournament contests at Belson Stadium, as part of the program's stellar run of success. Head coach Dr. Dave Masur and the men's soccer team have reached unparalleled heights in collegiate soccer. Masur has twice been named National Coach of the Year over that span, including in 1996 when he led St. John's to an NCAA Championship Title.
